Council receives report on Annexation Guidelines

A short discussion on Annexation Guidelines by the Edmonton Regional Planning Commission took place at the January 7 meeting of Town Council. A memo from Chief Administrator Byron noted that E.R.P.C. outline plan guidelines were being prepared in final form and that annexation guidelines were still under review. Mr. Byron told council that some reports from municipalities (as were requested by ERPC) were still to come, and that the commission was anxious to finalize the guidelines.

A report on comments received from municipalities on annexation guidelines, showed that Counties Lac Ste Anne, Leduc and Strathcona and Village of Entwistle and the Towns of Drayton Valley and St. Albert approved the recommen-

endations.

The MD of Sturgeon Council suggested an addition to the Guidelines which should read: "Annexation proceedings be initiated by municipal authorities and not developers. And the proceeding costs, if any, be borne by the municipal authority making the application."

New Sarepta Council expressed concern that the guidelines may exclude an individual or small developer from making an application for annexation, and thus stagnate growth in a small community.

Remainder of the report on comments was given over in the main to Edmonton comments and ERPC staff replies, with comments from Stony Plain and Fort Saskatchewan also.

At the council meeting

Coun. Lukay, St. Albert's representative on ERPC expressed his concern with a position taken by the City of Edmonton, as did Coun. Baker and Mayor Gibbon.

The city's comment reads as follows:

"Edmonton Council supports the annexation guidelines as amended by the Municipal Planning Commission, as an interim measure, pending completion of the Regional Planning Growth Study, as being applicable to those areas in the ERPC report outside of the area presently proposed for the new boundaries of the city, BUT DO NOT FAVOR CONSIDERING THEM APPLICABLE TO ST. ALBERT AND SHERWOOD PARK (Capitals ours)."

ERPC staff replied in some detail to this comment and stated that regional planning is a rejection of the view that political boundaries, at least as presently carved out, are the proper area for co-ordinated planning. Please Turn To Page 2

Puppet Show for hire

Five Grade six students at Sir Alexander MacCenzie School have decided to offer something new in services to local residents, as a method of earning money for skills for use by their class.

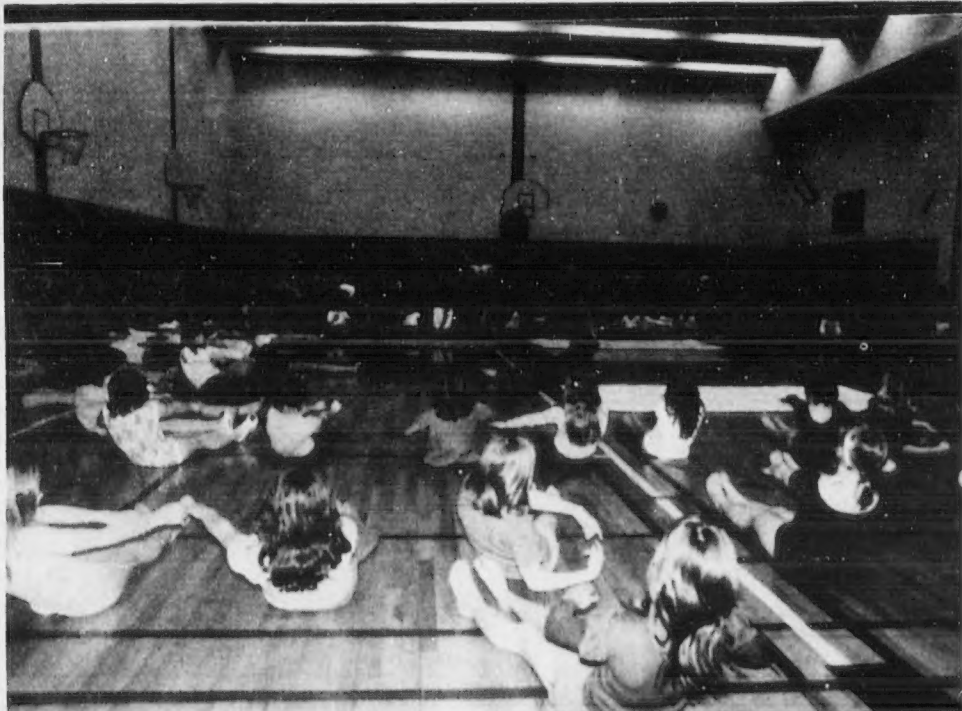

They will come to your home and stage a puppet show for children's birthday parties or similar special occasions.

Cindy Knight, Peggy Neumann, Linda Meyers, Sandy Lang and Janice completed a unit in puppetry in the Language Arts class of Mr.

Hugh Phillips a while back, concluding with a show at the school.

They have put together a half-hour show with seven puppets made by themselves, along with necessary props and anyone wishing to hire their show may telephone Linda at 459-3518, or Sandy at 458-0374.

The girls are also giving some thought to staging their show for all the grades one and two classes in District Six, if arrangements can be worked out.

The executive were expecting about 30 - 40 boys and girls for registration night of the newly formed Gymnastics Club in St. Albert. When 170 turned up, things got a little hectic. About 135 were girls and instructor Bev Smith has her work cut out, but hopefully will be able to find some help. The girls will meet on Thursday nights, but since the Lorne Akins Gym will not be available for the next two Thursdays, their next class will be on February 7.

Officers of the Royal Canadian Legion, St. Albert Branch were formally installed Saturday evening at a ceremony and dance held in the Community Hall. Installing Officer, Jim Foote is seen at right of President Denny Taylor (seated centre). Drummer Jimmy Logan is at left foreground with Pipers Dave Sproat, Gerry Piper and Roger Stevens of the Legion Pipe and Drum band.

Colourful ceremony installs Legion & Auxiliary officers

The first appearance of the Royal Canadian Legion Pipe and Drum band at an Installation of Officers ceremony, was heralded with enthusiastic applause and a host of compliments by the 160 people who took in the ceremony and dance at the Community Hall Saturday evening.

Installing Officer, Comrade Jim Foote, who takes part in many such ceremonies around the province, as

vice-president of Provincial Command was warm in his praise of the St. Albert band and colour party.

Officers of the Branch and Auxiliary were piped up to front centre of the Hall for the ceremonies. Installing Officer for the Ladies Auxiliary ceremony was Kay MacKenzie, Provincial President.

June Kendel is serving another term as president, Marie Eschak is 1st vice-

president; Polly Swenarchuk, 2nd v.p., Joanne Cockwill, secretary; Eleanor Leeland, treasurer. Executive members at large are Irene Winklemeier, Jean Ferguson, Eileen Howells, Shirley Sorsdahl, Mary Dugas and Thora Millroy. Shirley Lefebvre is Sgt. At Arms.

Following the installation two presentations were made. President Denny Taylor presented a cheque for \$600 to Please Turn To Page 2

Assistant postmistress retires after 19 years

Saturday was the last day for Theresa St. Jean (Michelet) at St. Albert Post Office, after 19 years of service. She started as postmistress in St. Albert in 1954,

when the office was moved to the old Labelle butcher shop building, north of the Perron street bridge on the east side. Formerly the post office was located across the street (M and M Store premises), and had been operated for many years by Mrs. Margaret McRae. Theresa took over from a temporary postmistress, Mrs. MacDonald. At that time the post office was re-classified from 'country' to 'semi-staff' status, and Theresa had one assistant putting in 19 hours a week.

There were 50 lock boxes of the old style with glass fronts and dial locks. Before long, as the town began to grow, the post office was moved to the Perron-Voness building, where Drayden Insurance are now established. Additional boxes were added to a total of 208. Over the next six years the population grew steadily and post office box count went up to 686.

On January 10, 1962, the new federal building was opened on the corner of Perron and St. Michael, with 897 boxes. The new building was soon bulging at the seams,

THERESA ST. JEAN

and three extensions have been made to it. Box count rose to 1,286, and letter carrier service was added in 1965, beginning with five carriers. The Post Office was then re-classified as a postal station under Edmonton, and Theresa's position was re-classified to Postal Station Supervisor. The following year, when the Town reverted from 'New Town' status, St. Albert had its own post office and Mr. Al Mitchell became postmaster in February 1967, when Theresa became assistant.

Land Act Deadline

In response to a number of calls concerning the March 1st, 1974 deadline for applications by veterans for holdings under the Veterans Land Act, Pembina M.P. Stan Schellenberger was contacted.

He advises that the Conservative Committee Chairman on Veteran's Affairs, Mr. Jack Marshall has brought the matter before the House of Commons many

times over the last year. Mr. Marshall has been urging that the deadline be extended for the 125,000 veterans who are still waiting, but the proposed extension has met with resistance from both the Minister of Veteran's Affairs and the federal administration. The Conservatives will continue to pursue the matter, Mr. Schellenberger said.

Tax Tips Column

For further information, call the District Taxation Office. If you live in a toll area, ask your long-distance operator for Zenith 0-4000 and your call will be placed without charge.

Q. The expression, moving expenses, probably means many things to different people. Can you be specific regarding the types of moving expenses which can be deducted from income for income tax purposes?

A. Yes, moving expenses would generally include the cost of travelling from a former to a new residence, including meals and lodging while en route, transportation and storage costs for household effects, and the cost of up to 15 days temporary board and lodging near the former or new residence.

Q. What about the cost of cancelling a lease, advertising and legal costs, or real estate commissions. Are costs of this nature regarded as moving expenses?

A. Yes, Each of the items you mentioned is included in moving expenses. We should probably mention that expenses for any work done to improve the property before sale, or mortgage penalty when the mortgage is paid off before maturity, or any loss incurred on a sale are not included in moving expenses.

Q. I have received a scholarship from a university which requires me to move to another city. I understand that the amount of the scholarship over \$500 must be reported as income. Can I deduct my moving expenses to the university?

A. Yes, The amount of the scholarship over \$500 must be declared as income and you may deduct moving expenses to the extent of such income declared in your return. Moving expenses include travel costs, meals and lodging while en route, transportation and storage costs of your household effects, temporary quarters, etc., for yourself and your family. Enquire at your District Taxation Office for a brochure on "Moving Expenses."

Q. I am a full-time university student and have obtained temporary employment some 200 miles away. I am required to pay my own travel expenses to get to this temporary job. Can I deduct this expense from the income

I earn during the summer?

A. Yes, If you have been in full-time attendance at a university or other post-secondary education institution in Canada, and you move to take a job, including summer employment, you may claim moving expense deductions. This applies only to moving expenses to get to the employment and not to those for your return to the university.

Q. I am a resident in Canada and receive a retirement pension from the United States company I worked for, and also U.S. Social Security. If this is subject to the Canadian Income tax, is the tax calculated before deductions were taken off in the United States or on the amount that I receive here?

A. First of all, the gross amount of the pension from the United States company and also your U.S. Social Security are income for tax purposes in Canada.

When calculating the amount of your income you should convert both these amounts into the Canadian dollar equivalent. If you pay income tax in the United States you will be entitled to a foreign tax credit on your Canadian income tax return.

Q. My husband received strike pay from his union office in the United States although we live in Canada and the strike was here. Does he have to report this strike pay?

A. If your husband performs no services (other than picketing) in order to draw strike pay, he need not report it. However, if he is required to perform specific services (such as acting as a special chauffeur) in order to draw strike pay, it is considered to be a payment for services, and therefore, taxable income to him.

Q. Since filing my income tax return, I have been transferred to another province. I am expecting a refund. What do I do about notifying the Income tax department about my change of address? Do I write to the Taxation Data Centre or do I write to my old or my present District Taxation Office?

A. You should write to your former District Taxation Office, giving your full name, new address and any other identification, such as your account number, Social Insurance Number and your previous address, and advise that you are expecting a refund.

HELP WANTED

St. Albert Public Library requires a full-time clerk-typist. Duties to include handling correspondence, typing catalogue cards, bookkeeping, money deposits. Library experience preferable. Typing skill of 50 wpm required. One evening a week required. Salary \$400 range.

ning. They supported the definition of a "Region" as a "Collection of communities whose decisions and actions affect each other, and who share a common interest in area wide problems and decisions."

The philosophy and attitude of this Edmonton motion was seen by ERPC people as a "threat to regional planning."

Another criterion of the ERPC guidelines was that proposed annexation must consider long term growth and development objectives for the region, and the residential component is located conveniently to centres of employment to reduce long commuting.

City of Edmonton wanted this amended so that an annexation application would demonstrate that sufficient sources of employment existed to meet the requirements of the proposed population. ERPC refuted this amendment and Coun. Bakker commented on it also, saying that he doesn't want "central control of workers."

Mayor Gibson moved that the council support the principles of the municipalities which were against the proposed new boundaries - saying these boundaries are outside the considerations of the guidelines report.

There will without doubt be considerably more discussion on both Annexation Guidelines and Outline Plan Guidelines before these and other related issues are resolved.

Town of St. Albert Council, M.D. Sturgeon Council and MLA Ernie Jamison are all on record as favoring Regional Boards for the major planning areas of water, sewer and transportation.

The MLA and some members of Sturgeon Council are also on record as favoring the equalization of industrial tax. This principle is a major consideration for municipalities and planners, both with regard to the assessment

value or proposed annexations by a municipality, and with critical decisions needed in the whole question of proper land use.

Regional Boards and Land Use are subjects requiring continuing research, plus a degree of statesmanship by all the elected people involved in planning, who will have to act with wisdom and integrity in all their inter-relationships with each other. There is a wealth of experience, research studies, pilot projects etcetera available for assistance with urban planning, both in Canada and throughout the developed countries of the world.

And there is an excellent opportunity for imaginative thinking. The Edmonton region need not copy any other plan. It could be possible to develop a unique proposal and avoid most, if not all, the mistakes made by giant cities elsewhere.

Edmonton should not be allowed to use its size as a club in dealing with St. Albert and Sherwood Park. Those two shouldn't attempt to throw their weight around in dealing with centres like MD Sturgeon or even New Sarepta.

For the real issue is what is best for people - all of the people in the region. The people will contribute to the cost of the courses decided upon - and the ordinary people will suffer from any mistakes - more so than the temporary officials in the governing authorities. Hopefully the people will take keen interest in all aspects of urban planning and make their views known.

Legion

Continued From Page 1

Mr. Foote, for the Legion Polo Fund, which the vice president said, was a pet project of his. He congratulated the local branch on meeting their polo commitment for the year.

Rudy Schirbar was presented with a Service Officer's badge and a Past President medal, by Jim Foote. Rudy has served for 10 years as service officer for the St. Albert Branch, and is continuing in the office. Matters of veteran's welfare, such as pensions, dependents allowances, the Poppy fund and essay contest come under his responsibility.

Special guests for the evening were the presidents and their escorts from Legion branches Montgomery, Strathcona, Norwood, Jasper Place, Kingsway, Fort Saskatchewan and Sherwood Park; and the Army and Navy Veteran's Club.

The evening carried on with dancing and a delicious supper much enjoyed by everyone.

In St. Albert.

Now she plans to be a full time housewife - "and for the first time learn something about cooking." She is also looking forward to spending more time in the summer months with her husband at their cottage on Long Lake. The couple make their home in Edmonton, but will be back in St. Albert quite often, where they have many friends.

U.S. Wants our cheese

The U.S. wants to buy a mountain of Canadian cheddar cheese in the next three months, says Hyman Solomon in The Financial Post. It also wants to buy several other mountains of cheddar from Australia, New Zealand and just about any country with some to spare. The U.S., in fact, is so hungry for cheddar that President Richard Nixon last week had to proclaim a temporary ten-fold increase in the normal annual import-quota level. Reacting to what was clearly an "emergency" situation, Nixon decreed that the U.S. would welcome 100 million pounds of cheddar between now and the end of March. Normally, the entire annual import quota for cheddar is only 10 million pounds.

If the administration does indeed lift the quota system or loosen it significantly, it could mean important new markets for Canada, parti-

cularly for cheddar and skim milk powder. The essential weakness with the present U.S. import-quota system is that it is running into a chronic reduction in domestic dairy production. In 1973 the government was forced to enlarge temporarily the quota for skim-milk powder four different times. It also raised the import quota once on cheese (by 50%) and once on butter.

BUT WE DON'T HAVE ANY

It's embarrassing when a cherished market opens up and you have nothing to sell. But despite U.S. demand for cheese this year, Canada just hasn't much to sell. As one trade official put it: "You can't export out of an empty wagon." At best, trade officials here think Canada can send five million pounds of premium-priced aged cheddar to the U.S. by Ap-

ril when quotas will return to restrictive levels. A decline of five per cent in cheddar cheese production along with an eight per cent jump in Canadian cheese consumption have whittled away at supplies. Consequently, though Canada lots its primary export market for cheese when Britain joined the European Community this year, no significant stocks of aged cheese are available for the Americans. For the moment, Canada has priced itself out of fresh cheese sales. Domestic prices within the past month jumped from 68¢ to 82¢ a pound, indicative of short supplies. With 15 per cent duty and freight costs, Canadian cheese can't compete in a U.S. market at 83¢.

Yogi Hari Bhatt will begin instructing a course in Yoga on Tuesday, January 29th. Mr. Bhatt, who came to the Edmonton area last week, says he will conduct sessions every Tuesday evening until the end of June in the Community Hall.

The 23 year old guru says he wants to clear up misconceptions about yoga, which he feels not many people understand. Yoga is not just exercise, but a philosophy to maintain body mind and soul in a state of fitness and health. We are against use of chemicals and drugs, he said.

The philosophy was developed 4,000 years ago by yogi Patanjali in the Himalaya mountains in India as a method of improving persons mentally, physically

and spiritually without the aid of medicine or surgery. After yogi Krishma discovered the method in samskrit some 2,000 years ago, yoga began to spread throughout the world.

Anyone from the age of 10 can learn yoga, said yogi Bhatt. Courses conducted by Hari Bhatt and another teacher two years ago in Calgary attracted about 2,000

people. Fee will be announced later and will depend on the expense involved.

Services held for John Bauer

The Rev. Father Colin Levangle conducted the funeral mass at 11 a.m. January 14 in St. Albert Roman Catholic Church for Mr. John Bauer, who died suddenly of a heart attack on the morning of January 11. The soloist sang 'Sweet Hour of Prayer' a hymn of special significance to the family. Burial was in the church cemetery.

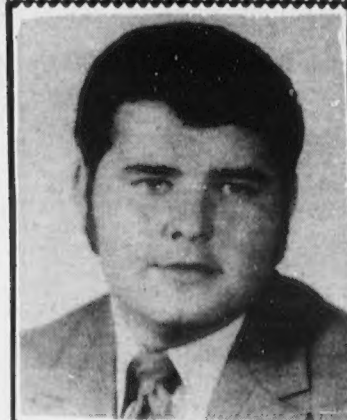

The deceased leaves to mourn his wife Mavis, sons

Allan and his wife Sandra, of St. Albert; Murray of Calgary, Bradley at home and daughter Gwen, at home; two grand-daughters, Jacqueline and Launa Bauer; his parents, Mr. and Mrs. George Bauer of Loon Lake, Saskatchewan; six brothers and three sisters.

Mr. Bauer had been employed for 26 years as a diesel mechanic with Hi-Power Drilling and was at work on the morning of his death. He walked out of his office into the yard with instructions for a trucker and collapsed on the ground with a heart seizure. Death came minutes later. He was 61 years old.

Mr. Bauer was always keenly interested in sports, particularly hockey and football, and his family and friends have decided to present a memorial hockey trophy for a local team.

The Bauers have lived on Gaylord Place in St. Albert for 10 years.

BOB BRUYERE

Bob joined the Kentwood Ford sales staff in August of 1970. Tourist Association meeting at Swan Hills

The Midnight Twilight Tourist Association is meeting in Swan Hills on Jan. 27, and director Garry Johnson would like to see St. Albert well represented. Treasurer, Harry Hutchings will be attending and the agenda includes election of directors. Normally persons presented by a Chamber of Commerce or a municipal council are approved as directors, said Mr. Johnson.

The association has concentrated on the Historic Trails potential of Zone 14 and last year co-operated with the Might Peace Association in the re-ride of the Klondike Trail of 98 as an RCMP Centennial Project, with St. Albert the termin-

al point of celebration. Lesser Slave Lake which has the third largest provincial park in Alberta, and 30 - 90 miles of sandy beaches, is another major attraction for tourists which the Midnight Twilight Association will be emphasizing.

The meeting will be held at two o'clock and place is not yet finalized. Anyone wishing to attend is invited to telephone Mr. Hutchings at Hutchings Shoes, 459-8383.

"For your house from Heritage House - with pride"

the Gazette REFLECTS

It may not be proper for a grass roots weekly editor to take umbrage with a comment by the editor of the distinguished Ottawa Citizen but none the less he should not go unchallenged.

Mr. Christopher Young, speaking of 'windfall revenues' on CBC 'Viewpoint' following Monday night's television newscast, stated that "Since the forties, government has been structured toward equalization for Canadians. On the issue of freight rates alone we believe this cannot be demonstrated as far as the federal government is concerned."

Mr. Young further pointed out that the Canadian Constitution was drawn up "At a time when oil was of little importance." Again we must take exception.

A constitution is surely a statement of basic principles legislated to ensure those principles for all time. When the B.N.A. Act was drawn it would not properly concern itself with the specifics of developing a particular resource.

The Fathers of Confederation, while involved mainly with Upper and Lower Canada, translated into Ontario and Quebec, recognized that Canada was a nation stretching "From Sea to Sea" and under the leadership of John A. Macdonald proceeded with the railway to the west coast.

Canada's constitution recognized the principle that the federal government should have a counter balance and established a distribution of powers between the federal authority and the provinces.

And so the rights of the provinces were defined. And those rights included ownership by the provinces of their resources.

These jurisdictions, guaranteed by the Constitution, are presently being questioned, and if mutual agreement cannot be reached between the Federal and Provincial governments, the issue could come before the Supreme Court of Canada on constitutional grounds.

The prime minister's appointment of Mr. Laskin to the position of Chief Justice of the Supreme Court in the midst of these discussions could be a matter of considerable importance. The man has pursued his career in the university, has no practicing experience and is a known centralist. The appointment has raised a substantial amount of controversy across Canada.

Changes in the constitution should not be made lightly, and we suggest that a change should not be made for reason that it was drawn up "at a time when oil was of little importance."

How to get that money

An important gap in the knowledge about venture-capital outlets in Canada has been filled with publication this week of a book listing 49 private venture-capital sources in four provinces. The book, called Sources of

Venture Capital, was prepared for the federal Department of Industry, Trade and Commerce by two Toronto chartered accountants - Peter McQuillan of Ernst and Ernst, and Howard Taylor of Deloitte, Haskins and Sells, The Financial Post

reports. The listing of venture capital sources - five in British Columbia, three in Alberta, 25 in Ontario and 16 in Quebec - includes a brief description of what kind of business ventures the firm is interested in, how much money it may advance and the extent to which it may become involved in the management of the business. Of particular interest to fledgling entrepreneurs are the sections in the book devoted to describing how someone who is looking for money should prepare a business plan; no venture capitalist wants to waste his time talking to a person with an idea but no projections of the potential market, available management expertise, labor needs, manufacturing requirements and other factors. There is also an outline of the various sources of federal and provincial government aid to business, and to private capital sources such as banks, finance companies, manufacturers and suppliers. The book is available free, in English and French, from the office of Science and Technology, Department of Industry, Trade and Commerce, Ottawa K1A 0H6.

Crisis of ignorance

"We don't have an energy crisis. We just have a crisis of ignorance." So said American philosopher-designer Buckminster Fuller on a recent visit to Canada. Is he right? asks The Financial Post. And what does Canada's Minister of Energy Mines and Resources, Donald Macdonald, have in common with Abderrahman Khene, the secretary general of Opec? On March 25-26, The Financial Post will hold its first international symposium on Canada's non-re-

newable natural resources - both energy and mineral - at the Hyatt Regency Hotel in Toronto. Macdonald and Khene will be keynote speakers at this conference for producers, purchasers, policy-makers in Canadian and international resource-based industries and for the financial community. Dr. Khene will speak at the first day's luncheon on "Nationalism and Natural Resources - The Lessons of Opec." At the second day's luncheon, Macdonald will speak on the theme "A Resource Policy for Canadians." In all, more than 20 speakers will be featured.

Education Shift

A report in the November 26th issue of Time Magazine states that there was standing room only at Harvard's Lowell Lecture Hall as more than 1,200 students crowded in for the opening of one of the hottest courses on campus.

"Human Sexuality 101: Analytical Communal Living 202? Mysticism 303? Hardly. It was Economics 10, the standard survey course for beginners."

Enrollment in the course is up 43 per cent from last fall and the Harvard campus is not alone. At Columbia, Barnard, University of Virginia and universities all across the U.S. that once dismal mainstay is suddenly the course to take.

Dr. Charles Howe of the University of Colorado believes students are more and more interested in taking courses that prepare them for a job.

The Times report says the trend may be part of a general shift away from the "soft" theoretical social sciences, back to the "hard" disciplines.

B.C. Bank opens Alberta branches

Bank of British Columbia, with Head Office in Vancouver will open branches in Calgary and Edmonton this week, and a third Alberta branch later, bringing its total number of branches to 26. The bank opened in July 1968, with \$12.5 million paid in capital. Assets now exceed \$300 million and staff numbers over 500.

The bank paid its initial dividend of 10 cents per share in August, 1971, followed by 20¢ the following year and 50¢ per share in 1973. Of the more than 11,000 shareholders, several hundred live in Alberta, according to a report from the bank's head office.

Thank You

We would like to thank our relatives and friends who helped to make our anniversary such a memorable one, and for the lovely gifts and the music which we will always remember. We especially thank our children and all those who helped in so many ways.

HERBERT & MARY SAUNDERS

Eatons building on the trail

The T. Eaton Co. Limited announced today start of construction on a 150,000 sq. ft. distribution centre at 134 St. and the St. Albert Trail. Occupancy is scheduled for mid-June.

Mr. R. A. Anderson, Edmonton store manager, said the \$2 million facility will

provide warehousing and city delivery service for Eaton stores in Edmonton and Red Deer, and forwarding service for catalogue order offices and stores in northern Alberta, northern British Columbia, the Yukon and the Northwest Territories. The building will also house a

warehouse store, garden centre and other support services, including radio/TV and appliance repair shops, fur coat repair and storage, and carpet and furniture preparation.

The warehouse section will use narrow-aisle, high-stacking techniques to obtain optimum utilization of space. Mobile stacking and order picking equipment will be capable of moving merchandise in and out of storage 24'6" above the floor.

Landscape plans call for trees and grassed areas between the building and the paved parking for 200 cars. The company has also obtained options on adjacent

land to permit building expansion in the future. Eaton's recently completed a \$5 million store at London-derry, and is planning a \$1.5 million renovation of its downtown store.

Guild announces spring program plans

Approximately 30 classes will be offered in the spring program planned by the St. Albert Arts and Crafts Guild, in co-operation with the Town of St. Albert. The session will get underway the week of February 18th.

Courses for children will be - preschool arts and crafts, multigrade, wood-working, model aircraft, advanced model aircraft, creative dancing, experimental painting, puppetry, advanced puppetry, jazz dancing, ten multigrade, ceramics, copper enamelling (teens).

Adult courses will be - ceramics, ceramic sculpture, copper enamelling, oil painting, knitting and crocheting, upholstery, creative crafts, primitive weaving, lapidary.

Several new instructors will be involved with these classes. Mrs. Priscilla Theroux, a newcomer to St. Albert from Sherwood Park, will be instructing ceramic sculpture. Mrs. Theroux majored in ceramic sculpture at the Newport School of Art, in South Wales, and after teaching fine arts at university in London for five years, came to Canada where she taught at the Bunk School of Fine Arts. She has also taught art to junior high students.

Mrs. Peg McPherson will be giving an experimental painting course for children 11 years and over. Mrs. McPherson holds a B.F.A. and has taught at the Edmonton Art Gallery, at the high school level and instructed for the Edmonton Public School Extension Program. Many residents of St. Albert are familiar with her paintings, some of which, were on display at the fall Craft Fair.

Another display at the Fair which attracted interest was that of Mr. and Mrs. J. Zwierink, who are avid rock collectors and have become skilled lapidary craftsmen. They will be giving a six week course in this craft: three weeks of instruction and three weeks of work with students in cutting and polishing their projects.

The Guild is also pleased to announce that Mrs. Pat

Morris will be back after a number of years absence, to instruct a beginners ceramic course. Different methods of hand building will be stressed giving students a good understanding of clay before they attempt wheel throwing.

Registrations will be taken for these courses at the Arts Centre on February 3 from 1 - 4 p.m. and from 7 - 9 p.m. on February 4 - 8. There will be no registration forms mailed or delivered for this session. The Arts Centre is located behind Vital Grandin School on Sunset Blvd.

For additional information about classes phone Lois Folkins - 459-7344 or the Parks and Recreation Department at 459-6601.

Around Town

It was a rather unnerving experience to see a Blue Goose (Western) bus com-

pletely ignore the stop sign on Gainsborough Avenue and turn onto Grosvenor Blvd., last Friday evening at 6:08 p.m. This is a particularly slippery corner, as residents of the area well know.

Following the hearing Thursday on Art Perrott's case to have the off-highway vehicle bylaw of the Town of St. Albert, or portions of it, quashed, the judge decided to defer his decision for two weeks, in order to study the bylaw further. When Mr. Perrott appeared on January 11, the case was deferred to January 17. His original notice of motion was filed December 28.

For the first time in this winter of heavy snowfall the river west of the Perron Street bridge was crowded with youngsters enjoying outdoor skating on a bright

winter morning, last Saturday, following clearing of the area by town employees on Friday.

When Marcel deChamplain had an errand at the Gazette office yesterday, we asked him if there had been any further breaks in the sewer force main in the Sturgeon Road-Belmont area. Never a very gabby man, Marcel just held up his two crossed fingers and smiled.

With about \$1,500 still outstanding in 'Skate-a-thon' pledges, the Kinsmen are asking the people involved to take a few minutes to tote up their pledge cards and drop in at any St. Albert bank with the amount owing. While realizing that it is easy to put off such errands, the Kln Committee is anxious to get the project tidied up.

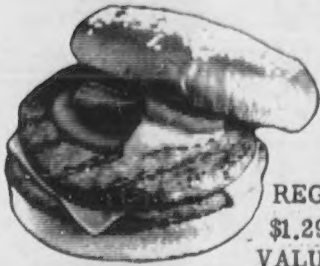

The publicity representative for the St. Albert Women's Institute, Janice Cunningham reports that many varied and interesting pro-

grams have been arranged for the year ahead, and women interested are invited to attend some of the meetings. January meeting on the 29th will be at the home

of Agnes Richardson, 96 Mission Avenue, beginning at 8 p.m. Anyone wanting further information may telephone 459-5179 or 459-8143.

Joint meeting called on health & welfare

A Federal-Provincial Conference of Minister of Welfare will be held Feb. 19 and 20 at the Chateau Lacombe, Neil Crawford, Alberta Minister of Health and Social Development announced today.

Marc Lalonde, health and welfare Canada, and his deputy, and all the provincial ministers and their deputies are expected to attend the ministers of welfare meeting.

Meetings at the conference will be closed to the media, but individual ministers may be interviewed about their own comments after the sessions.

Among matters which may be discussed are reports of the Federal-Provincial working parties on income maintenance, employment and social services. These working parties were established after Mr. Lalonde produced a working paper on income security about a year ago.

Comets two points from first place

Jasper Auto Parts Comets moved to within two points of Sherwood Park Barons with a pair of wins last weekend.

On Friday the much-improved Comets travelled to Sherwood Park for a game against the first place Barons and came away with a well deserved 8-5 win.

Sherwood Park leads the Edmonton Central Hockey League with 34 goals on 17 wins and three losses. Comets are two points behind on 16 wins and four defeats. Westlock are in third with 15 wins in 18 starts and have two games in hand. Leduc is a distant fourth on 22 points in 19 games.

Since coach John Arnot took over the Comet's January 5th the team has won five of six games and outscored the opposition 55 to 28. Their only loss was a 8-6 defeat by the Eagles in Westlock.

Friday's game was a very important win in the race for first place with the Comets scoring three third period goals to break open a 5-5 tie.

Barons opened the scoring on Fred McKenzie's power play goal at 2:35 of the first period while Paul St. Cyr was sitting out a crosschecking penalty.

Comets then went on a scoring spree with three goals in less than three minutes. Gary Leskow on a pass from Harvey Kirkland tied the score at the 7:48 mark and Phil McCargar's unassisted goal 40 seconds later put St. Albert ahead 2-1. At 11:42 Leskow added his second on a perfect passing play from Gerald Armstrong and Kirkland to give Comets a two goal lead.

Barons came back with three straight goals of their own to take a 4-3 lead after the opening 20 minutes.

PHIL MCCARGAR
HAT TRICK

Comets scored a pair of goals 16 seconds apart early in the second period as Kirkland and Leskow found the mark behind Barons goalie Lionel Jones.

Sherwood Park scored their final goal of the period and the game with only 53 seconds left in the period. The final 20 minutes was all St. Alberts as they dominated the period and scored three unanswered goals.

Dave Couves, ex-captain of the U of A Golden Bears scored the winner at 1:12 of the third with Rich Perrault assisting and then scored the insurance goal midway through the period after being set up by Andre Contant. Al Laplante completed the Comet scoring at 12:47 with Perrault and McCargar drawing assists. St. Albert outshot the Barons 52 to 34. Zane Jakubec played a strong game for the Comets in goal.

Sunday's game in Barrhead was never in doubt with the Comets taking a 4-0 first period lead on two goals by McCargar and singles from Doug Bell and Perry Pearn. Winger Al Laplante drew assists on the first three goals.

Barrhead made a brief

comeback with three straight goals in the opening half of the second period as Larry Craig (2) and Gary Loltz beat Comet goalie Wally Wencek. Dave Couves scored for St. Albert late in the period and after 40 minutes of action Comets were ahead 5-3. The final period saw St. Albert score seven unanswered goals. Kirkland added a pair while Bell and Couves scored their second each and Laplante and McCargar added singles. McCargar's was the third of the game and earned him the hat trick plaque donated by Comet President Claude Contant.

Comets next home game will be Sunday when Winterburn come in for a game starting at 7:30 p.m.

Friday night the Comets go into Varsity Arena for an exhibition game with the U of A Bearcats. The Bearcats are a junior team and had to drop out of the Capital Junior Hockey League for lack of competition. After half a dozen games at the start of the year the Bearcats were averaging 12 goals per game. Game time is set for 8 p.m.

Two St. Albert residents are members of the league-leading Grant MacEwan Community College women's basketball team. Grant MacEwan Community College is the only undefeated team in the 16-member Edmonton Women's Basketball League. Denise Gravelle (far left, front row) has the highest scoring average on the team. She is an Advertising and Public Relations student at the College. Kathleen Preclaw (third from left, back row) is enrolled in the Audio-Visual Technicians program. Also shown are: (left to right, front row) Louella Merry, of Fort Saskatchewan, Mary Ann Buysen, of Sherwood Park, Christine Watson, of Edmonton and (left to right, back row) Loane Byers of Sherwood Park, Bernadette Gulayets, of Edmonton, Sheila Tyner, of Marwayne and Coach Jack Scharf, head of the social sciences department at Grant MacEwan Community College.

Bruins drop two on weekend

St. Albert's Junior Bruins hockey team lost a pair of games last week although they still hold down fourth and last playoff spot in the Capital Junior Hockey League.

Friday night last place Fort Saskatchewan dumped the Bruins 7-5 in a penalty filled game. Referee Ernie Boruk called a total of 27 penalties including 13 to the Bruins. Three of the Fort goals came on the power play. The Bruins were always behind as the Fort held a 3 - 0 first period lead and 6 - 3 after 40 minutes of play. Tim O'Neil, Mike Pearce, Bob Pearn, Kelly McAvoy and Alex Jensen scored for St. Albert.

Sunday the Bruins travelled to Sherwood Park for a game with the first place Knights and took a 9 - 3 drubbing. Knights scored

five third period goals to break open a 4 - 2 game. Kelly McAvoy, Mike Pearce and Tim O'Neil scored for the Bruins.

FINAL NEWS IN SPORTS

Jasper Auto Parts Comets moved into a first place tie Tuesday night with an exciting 5 - 3 win over Sherwood Park Barons who were in first place before the game.

Wally Monson and Randy Clark scored first period goals while Jerry Hornby replied for the Barons. Bob McGill scored the only goal

in the second period to tie the score.

Doug Bell scored late in the third period to give St. Albert Comets a 3 - 2 lead only to have Terry Cavanagh tie the score with a minute left. Randy Clark scored the winner at 19:30 and 10 seconds later Dave Couves made it 5 - 3.

Cross country ski club gets off to fine start

Recently, there has been a lot of interest shown by many of St. Albert's citizens in cross-country skiing. This outdoor winter activity enables people of all ages to get out and enjoy a winter recreation without having to travel hundreds of miles and spend hundreds of dollars.

The St. Albert Nordic Ski Club has been formed to cater to this interest. At an inaugural meeting at the Percy Page Centre last Wednesday, a steering committee was appointed to set up an executive and to draw up a constitution and fee structure.

Fifty people turned out on Saturday and Sunday to be initiated into the mysteries of cross-country skiing. St. Albert's first Cross-Country Ski Clinic was hosted by the Recreation Department last weekend. The clinic was held on Mission Park and hill and the Teen Centre was used as headquarters for the

event.

In 30 above weather and glorious sunshine, the course participants were introduced to waxing and skiing techniques and given a thorough work-out in basic skills by instructors Karl Schneider and Peter McCaffery.

There is still a healthy demand for further beginners' courses, so if you want to participate in one, phone the Town Recreation Department at 459-6601. Cost will be \$5 for a family; \$2.50 for adults; \$2 for students and \$1 for children 12 years and under.

Various areas around the town are being examined to see if it is feasible to put cross country ski trails on them. Among these areas are, Sturgeon Valley Golf Course, the Viscount Stable facility and the land belonging to the St. Albert Mission.

All people who are interested in joining the club please contact - Peter McCaffery, Box 233, St. Albert,

phone 458-1928. Benefits of becoming a member of this group include *contact with other people who have similar interests; coaching and advice on skiing; well maintained trails and a warm place to wax skis and access to good equipment at reasonable prices.

A general meeting of the club will be held at the Percy Page Centre, January 30, 7:30 p.m. to elect executive members and discuss the functions of the newly-formed club. All interested people please come along.

St. Albert's bantam and midget representative hockey teams have been given CAHA permission for a 10-day Easter hockey trip into British Columbia and Wash-

ington. The two teams -- Fire Chiefs and Sportshop Barons -- will leave April 11 for Jasper and return April 21, after playing in Jasper,

Kamloops, Vancouver, Seattle, Spokane, Kimberley and Calgary. Coaches Doug Millroy of the bantams and Doug McConachie of the midgets are currently finalizing travel arrangements, which includes two-day stopovers in Vancouver, Seattle and Spokane.

Each team will take 20 players who will be billeted out with opposing players in each of the cities.

To finance the trip, players have carried out a number of fund raising ventures, and on Feb. 9, will sponsor a hockeyfest at the Community Hall.

Tickets for the event, which includes dancing from 9 p.m. to 1 a.m. and refreshments, are \$4 each and can be obtained from Millroy at 459-7860 or McConachie at 458-0907.

In addition, the players will be required to finance a portion of the trip themselves.

Both teams are currently in first place in their respective divisions of the Northern Alberta Minor Hockey League, the Fire Chiefs with a 9-2 record, while the Barons are undefeated in 10 starts. The two teams are also registered for provincial playoffs.

STURGEON SENIOR HOCKEY LEAGUE

team will be out.

Sunday's games saw Laurent Coulombe score two goals and an assist on the other six as Legal defeated the Alexander Braves 8-2. Red Pelletier and Pat Iseke also added a pair for Legal.

O'Neill Chevalier scored all of Morinville's goals in their 3-2 win over Bon Accord who have now lost their last two games. Friday night they were beaten 4-1 by Namao.

Namao also won their Sunday game with a close 2-1 win over their arch rivals

Calahoo. Jacques Contant scored for Calahoo. Calahoo won 5-2 Friday over Alexander.

Villeneuve split their games losing 5-4 Friday to Legal and winning 3-1 Sunday over Gibbon. Dennis Soetaert, Terry Keiser and Ray Soetaert scored for Villeneuve in their win over Gibbons.

Darcy Brisson with a pair and singles by Danny Prefontaine, Pat Iseke and Laurent Coulombe scored for Legal over Villeneuve. Lorne Klak, Dennis Soetaert and Paul Bokenfohr with two scored for Villeneuve.

This weekend's games will no doubt stir things up a bit in the battle for top spot.

Friday night sees Calahoo and Bon Accord while Legal and Morinville meet.

Sunday Calahoo and Legal play.

Schedule

PLAYED AT LEGAL ARENA

JAN. 25 - 8 p.m. Calahoo vs Bon Accord; 10 p.m. - Namao vs Villeneuve.

Fire Chiefs suffer 2nd exhibition loss

Park Electric AA from the city stopped St. Albert Fire Chiefs undefeated

streak at nine in exhibition action last week, opening up an early lead to take a 5-1

win. Later, Fire Chiefs continued their winning ways in

league play, downing Ardrossan 8-2 in Ardrossan.

Early defensive lapses cost Chiefs in their game against Park, as they were down 4-0 after the first period. Park led 5-0 after two.

Ronnie Sander got Chiefs' only goal, taking a pass from Graham Brown and lifting it over Park goalie D. Jenkins.

Chiefs took a 4-1 lead in the first period at Ardrossan and added one more in the second.

Sander, Dave Shipanoff and Kenny Strand each had two goals for Chiefs and Joe Tworek and Gilbert Longpre got the others.

Chiefs next home game is against Barrhead at 8 Saturday night.

Juveniles win another

St. Albert Juveniles under coach John Ewen picked up another win Tuesday night with a 9-3 victory over Morinville in a Northern Alberta Minor Hockey League game played in St. Albert.

MATT LISTER

Four players scored a pair each for St. Albert who held period leads of 1-0 and 3-2 before a five goal outburst in the final 20 minutes.

Matt Lister, Mike Davids, Roger Meunier and Jeff Holden had two each with Don Keith adding the other. Lister also drew assists on four goals for a fine six point evening.

St. Albert travels to Morinville on Sunday for a game at 8 p.m. and will be at home Tuesday when Westlock will be here (7:30 p.m.).

Storyhour programs to resume at library

Starting the first week in February the St. Albert Public Library's popular Pre-School Storyhour will begin again for a 10 week session.

This term the twice weekly storyhours will be offered on Mondays at 10 a.m. and Wednesdays at 2 p.m. All preschoolers are welcome to one session a week. There is no registration required and attendance is voluntary from week to week. Because of the large number of preschoolers attending it is necessary to limit attendance to EITHER session each week, not both. The hour is filled with stories, games, songs, and puppets.

Those attending are encouraged to borrow books on a weekly basis and parents bringing children are encouraged to join the library in order to borrow books for their children.

The Bilingual Storyhour for preschoolers will begin again on February 7 for 10 weeks. The hour each week consists of stories, games, songs and activities in French and English for the preschooler. Parents are encouraged to leave their children for the hour. Membership is free to all and the library endeavors to have bilingual materials suitable for all ages including the preschooler.

There is no charge for storyhours.

REC. NEWS

An advertisement in this issue contains information about the programs being offered by the St. Albert

THE *Fred Davis* SHOW

Just returned from a show-taping trip to England, the staff of the Fred Davis Show is excited about the guest line-up Fred met and interviewed for near-future showing in this country.

Dame Sybil Thorndike spent 30 minutes with Fred looking back on her long and happy life. The knight of the British theatre, Sir Ralph Richardson, reflected on his past and present. Nichol Williamson, perhaps one of the dozen greatest Hamlets of all time, spent an informal hour (to be shown in two segments) explaining Shakespeare.

Two interviewers were interviewed: David Frost gave his view on what is happening to England; and in another program, England's "king of the talk-shows," Michael Parkinson, and Fred discussed their philosophies or conducting a talk program. Diana Rigg, Margaret Lockwood, Frankie Howard, and Anna Cameron were among other guests taped for the show during the program's just-completed stay in London.

Arts and Crafts Guild in this session of classes which start during the week beginning February 18. Note the registration days: Sunday, February 3 from 1 - 4 p.m. and Monday through Friday, February 4 - 8 from 7 - 9 p.m. each evening. Note also that the mailing list has been discontinued, that registration forms will not be mailed out and that registrations will only be accepted at the times mentioned above.

LADIES NIGHT OUT:
Ladies who would like to

play volleyball, basketball, etc. and keep fit by playing games in a friendly atmosphere should go along to Father Jan School on Mission Avenue on Thursday evenings at 8 p.m. where they will meet other ladies with the same idea in mind.

Phone Valerie Seyler at 459-7135 (evenings) if you would like to know more about what goes on or just show up on Thursdays - you'll get a warm welcome either way. There is no charge and it is a great way

of getting to know people, especially if you are new to town.

CHESS:
Mr. Stuart Embleton is looking after the activities of the recently formed chess club in St. Albert and if you are interested in playing, phone him at 459-8937.

The club plays every Wednesday evening at 8 p.m. in the Clubhouse (beside the swimming pool). Mr. Embleton will welcome new members any Wednesday evening or if you would like further

information phone him; he'll be glad to hear from you.

CROSS COUNTRY SKIING:
The cross country skiing clinic which was held last weekend under ideal conditions was a huge success and, in spite of rumblings about various aches and pains, was thoroughly enjoyed by all the participants.

Another workshop is being planned - watch for the announcement in this column.

LOST AND FOUND:
Articles lost and found at the arena will be disposed of if not claimed before January 31.

The newly-formed St. Albert Nordic Ski Club will hold its next meeting on Wednesday, January 30 in the Percy Page Recreation Centre at 7:30 p.m. It got off to a flying start at the organizational meeting held on January 16 and promises to be a very popular addition to the recreation activities in St. Albert; the topography is ideal for this fast growing sport.

ST. ALBERT ARTS & CRAFTS GUILD

SHOP DAILY 10 A.M. TO 10 P.M. FROM NOW TIL FEB. 2

Mayor Gibbon had just made a presentation to Mr. Francois Girard when this picture was taken at the annual holiday party held in the Community Hall by the Town employees.

Francois Girard honoured

Mr. Francois Girard was guest of honour on the occasion of the Christmas party of town employees, which was attended by the mayor and members of town council.

Francois retires after 22 years of service as a town employee on January 26 - a record which has yet to be broken - and to mark the occasion, presentations were made to him on behalf of the Town by the mayor and on behalf of the Town staff by Mr. Marcel de Champlain.

In 1928, Francois left his native Quebec and settled in the Peace River country. He moved to St. Albert in 1945 and was employed in the

Bruin Inn, becoming a councillor for a period in 1951. In 1952, he became a part time town employee in charge of maintenance when the equipment available consisted of not much more than a wheelbarrow and a few hand tools. Appointed as a full time employee in 1953 - and still in charge of maintenance - he graduated from the wheelbarrow to a one-ton truck valued at approximately \$300 with a princely operating budget for the year of \$980! He has seen this town which he adopted as his own grow from a few hundred people to the present population of around 18 or 19,000. The census at present in progress will show

just how much his baby has grown!

Just as Francois adopted St. Albert, St. Albert adopted him and there have been few better-known or liked figures around town. His future plans include travelling but

his many friends in St. Albert hope that he won't forget them; they will miss him and most certainly will not forget him. Wherever he goes, he has their good wishes for a long and happy retirement.

-NEWCOMERS-

We welcome the following to St. Albert. Newcomers are from Alberta unless otherwise indicated.

GRANDIN PARK:

Mr. and Mrs. R. Pate and family; Mr. and Mrs. K. Millar and family; Mr. and Mrs. B. McGuire and family; Mr. and Mrs. A. Williamson; Mr. and Mrs. T. Gratrix; Mr. and Mrs. W. ANNUAL GENERAL MEETING

St. Albert Help Society

TO BE HELD -- MONDAY, JANUARY 28 -- 8 P.M.
IN THE LIBRARY
EVERYONE WELCOME TO ATTEND

Thank You

I wish to extend my sincere appreciation to the Mayor, Members of Council and the staff of the Town of St. Albert for their great kindness to me on the occasion of my retirement.

FRANCOIS GIRARD.

They marched...

Nearly 2000 miles
in 4 months.

With the promise of a dollar a day.

They marched over territory that had never been properly mapped. Most of the men had never been west of Toronto; were not accustomed to riding horses or drinking water with the colour and consistency of ink. Their oxen and horses died around them from hunger and thirst. Travellers brought them stories of Indian massacres. Their pay was to have been a dollar a day. Nine months later they still had not received it. In spite of all this they managed to establish outposts in the area that later became Alberta. One was Fort Macleod, another Fort Saskatchewan. These forts, and their successors, brought law and order to an area that had known neither... and laid the foundations of a province that now has a history one hundred years proud.

From our proud past,
the promise of our future.

Dr. Chalmers will speak to Historical Society

Friends of St. Albert's history are cordially invited to hear Dr. Chalmers on Thursday evening, Jan. 24 at 8 p.m. in the Lacombe Room of the Catholic Church. An entertaining evening is assured since Dr. Chalmers will be reading selections from his poetry. Dr. Chalmers' western-style poetry comes from his wide know-

ledge of history, geography and native people.

Born and raised in Manitoba, Dr. Chalmers came to the University of Alberta in 1931. After graduation he taught school until 1939 when he joined the Department of Education as a superintendent and Chief of Educational curriculum. In 1964 he left to become superinten-

dent of Education for Indian Affairs in Alberta. Between 1967-69 he was superintendent of the St. Albert Protestant School District. Dr. Chalmers is now associate professor of Educational Foundations at the University of Alberta.

A past-president of the Historical Society of Alberta, his many publications include - Horsemen in Scarlet, Fur Trade Governor, Schools of the Foothills Province. His poetry has appeared in Alberta Poetry Yearbook and Alberta's Heritage magazine.

A short business meeting will precede Dr. Chal-

mers presentation. With the possibility of a grant from the National Museum Corporation very real, the Society is now setting plans for a major fund raising drive to raise the remaining third of the total cost of our new building.

The annual meeting of the Society will be held Feb. 28. Members are asked to keep this date in mind as we will be honoured by the Lieutenant-Governor, Dr. Grant MacEwan who will be guest speaker following a dinner. Tickets for the dinner can be obtained by contacting Mrs. Arlene Borgstede at 459-8601.

Calahoo Sports

The Calahoo bantams coached by Ed Horn won one and tied one over the weekend in Parkland Hockey League action.

Friday night they dumped Stony Plain 9 - 1 as Norman Majeau, Shane Quintal and Mike Schmerman potted two goals each. Dale Schafers,

Shaun Mayo and Randy Karakonte added the others.

On Monday the team travelled to Wabamum and came away with a 3 - 3 tie. Tim Witcher, Randy Karakonte and Mike Schmerman scored for Calahoo.

Perry Kolesar played a strong game in goal for Calahoo.

Exercise can reduce high blood pressure

New evidence has established that regular exercise can reduce high blood pressure, sometimes dramatically.

Testing and retesting of a representative group of men and women at the Fitness Institute uncovered direct links between physical activity and blood pressure, a primary modern medical problem related closely to heart disease and other serious health hazards.

Writing in the January issue of Sports and Fitness Instructor, a monthly newspaper published by the Institute, Lloyd Percival said the test results showed that "In the vast majority of cases regular exercise, including activity to relax muscle tension, decreases elevated blood pressure."

It can also reduce blood pressure considered to be normal to even lower levels, he said.

Percival, director of the Institute and a noted fitness and coaching authority, wrote:

"Study of the professional literature and current research in this field indicates that many individuals and physicians are not aware of the preventive and curative benefits of such exercise in relation to blood pressure. It also shows that the inci-

dence of high blood pressure is far greater among sedentary persons than those who are physically active, and that when a person becomes inactive his blood pressure tends to rise as his fitness level drops, even though his life style and weight may remain relatively constant.

"Not all types of exercise are effective in decreasing blood pressure. The program to be effective, must be gradual and progressive. It must include rhythmic and relaxing types of exercise and be designed to stimulate, on a controlled basis, the heart circulatory system and the oxygen supply (respiratory) system.

Let us show you how to defer your income tax.

Do you want to pay less income tax for 1973? Of course you do! Then why not take a few moments to drop in and talk about **Registered Retirement Savings Plans**.

Here's how they work. Under the present income tax regulations you are entitled to set aside a tax deferrable amount for your retirement years. This amount is 20% of your earned income up to maximum of \$2,500.00 for people who already participate in a company pension plan and up to \$4,000 for self-employed people.

These tax deferrals, together with any income and capital gains they earn, don't become taxable until you withdraw them; and if you wait until you retire, chances are your tax rate will be lower than it is now.

So if you defer on income tax today — you'll build a nest egg for tomorrow.

We can help you chart your R.R.S.P. program. Don't let this opportunity slip by. Your plan must be registered before the end of February to qualify for your 1973 tax deferral. Drop in and see us soon.

Library presents book reviews

With Christmas and New Year's festivities past and long winter evenings ahead this part of the year affords an excellent opportunity to catch up on some leisure reading. Fiction buffs would be well advised to head down to the St. Albert Public Library and avail themselves of novels such as these:

JOSHUA SON OF NONE by Nancy Freedman - By the same author as *The Andromeda Strain* and *On the*

Beach this novel is about the scientific reproduction of man. It opens in Dallas in November, 1963. The dying president has been brought to the hospital where Thor Bitterbaum, the third-year surgical resident, stands by in disbelief. Quickly, he takes some material from the gaping neck wound, puts it in a Pyrex tube and leaves. Within hours he is in California, where research on cloning (a sexual duplication

from a single cell of an original) has been most advanced. He finds Gerald who agrees to finance the experiment in the hope of having a son who will become President of the United States. Nine months later Joshua Kellogg is born. This is a truly hypocritical story of man who dare step beyond the laws of nature. A dazzling feat of imagination, Joshua Son of None is packed with tension and suspense and will keep the reader turning pages from the compelling first to the inevitable last.

What does Consumer Affairs mean to you?

PRICES? COMPLAINTS?
It's that...and more...

Alberta Consumer Affairs

means a lot of things.
And they all affect you,
the consumer and you,
the businessman.

THE CONSUMER AFFAIRS AND CONSUMER CREDIT BRANCH

in Calgary and Edmonton handles complaints, inquiries, and investigations into irregular trade practices. Legislation governing Credit Advertising and the sale of goods is administered within these branches. Information and advice are freely available.

LICENSING OF TRADES AND BUSINESSES BRANCH

Most businesses in Alberta must be licensed by the province. This branch with offices in Edmonton and Calgary administers licensing regulations and investigates complaints relative to unethical business practices.

THE COMPANIES BRANCH

registers and incorporates businesses.

INSURANCE AND REAL ESTATE BRANCH

issues licences, investigates complaints and inquiries and supervises these fields. They register certain insurance policies. Branch offices in Calgary and Edmonton.

AUTO INSURANCE BOARD

A board which advises and also approves rates for compulsory insurance.

DEBTORS ASSISTANCE BOARD

advises and assists consumers in adjusting their debts through mediation, consolidation, and counseling. Offices in Calgary, Edmonton and Red Deer and representatives in other areas.

If problems should arise in any of these areas, if you're not sure what to do, or where to go, write

Town of St. Albert

Notice of Public Hearing

The Council for the Town of St. Albert has held public hearings pursuant to Section 119 of the Planning Act 1970 R.S.A. as amended, in regard to Bylaw No. 28/73. This bylaw provides for rezoning the portion of River Lots 47 and 48 St. Albert Settlement, lying between the Sturgeon River and the Sturgeon Road from Residential Comprehensive (RX) to Residential Single Family (R1c) and Park (P).

A public hearing was held September 4, 1973, re-convened in the Lorne Akins School November 29, 1973, and notice is hereby given that the hearing will again be re-convened on Monday, February 11, 1974 at 8:30 p.m. in the Council Chambers at the Clubhouse, 5 Grenfell Avenue.

Results of the questionnaire held along with the census will be considered.

R. B. Bowen,
Secretary-Treasurer.

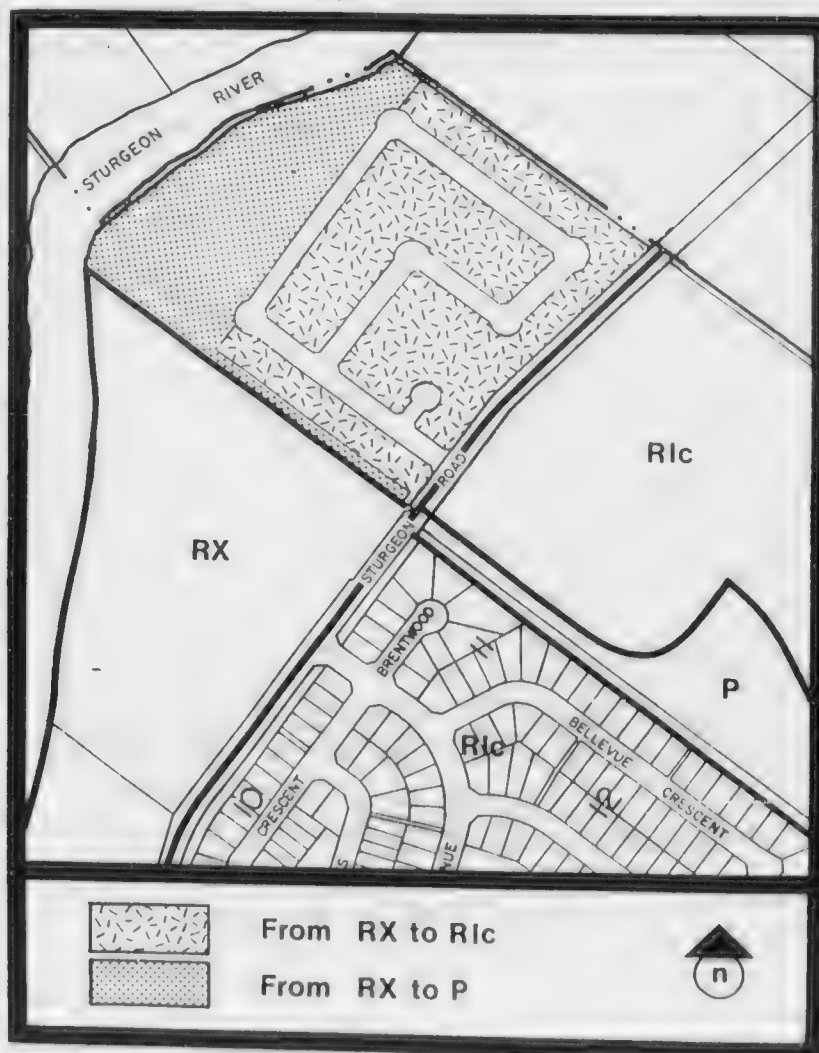

Town of St. Albert

Notice of Public Hearing

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the portion of River Lot 46, St. Albert Settlement as shown on the attached map from Residential Comprehensive (RX) to Residential Single Family (R1c) and Park (P).

The proposed Bylaw No. 49/73 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Clubhouse on the 11th day of February, 1974 at 8:00 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 5th day of February, 1974. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.

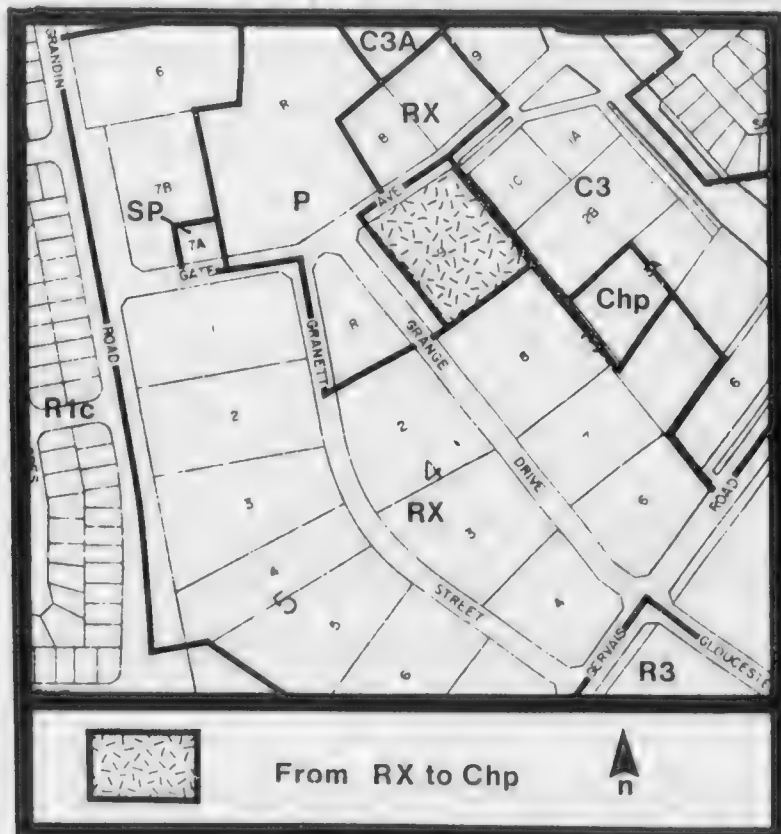

Town of St. Albert

NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone Lot 9, Block 4, Plan 276 K.S. from Residential Comprehensive (RX) to Hotel Parking (Chp).

The proposed Bylaw No. 1/74 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Clubhouse on the 11th day of February, 1974 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 5th day of February, 1974. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.

Lady Lions plan 'Lovliest night of the year'

The exhilaration of Christmas and New Year festivities is behind us, the winter days are long and cold, news from many parts of the world is gloomy. Perhaps what we need is St. Valentine's Day to cheer us with its beautiful sentiment and expressions of love.

The St. Albert Lady Lions certainly feel that it is a day well worthy of celebration,

and are busily making preparations for their annual, very popular Sweetheart Ball, to be held at the St. Albert Community Hall, Saturday, February 16, 9 p.m. to 1 a.m.

Theme of the Ball this year is to be "Love Around the World," and the ladies, under the direction of convenor Marilyn Garlepy are planning an evening with a

distinctively international flavour.

So make a date with your sweetheart, and enjoy a delightful evening of dancing to the music of the Combo-ettes, a delicious late buffet dinner, and a short period of entertainment. Tickets at \$12 per couple may be obtained by calling Nancy Wilson at 459-4403, or Marilyn Garlepy at 459-3771. Also available at The Bank of Nova Scotia, Hutchings Shoes Sweetheart Jewellery and Robinson's Pet Shop.

Number of tickets is limited so get them early. Love makes the world go round, let's help it along at the Sweetheart Ball.

In Lacombe Park tickets are available at the Red

Rooster Store and at Sturgeon Plaza or they may be picked up at One Hour Martinizing.

Trustee Seminars On Administration

Trustees throughout Alberta will have opportunity to attend one of three Orientation Seminars being held by the Alberta School Trustees' Association during January and February.

First seminar, at Calgary, January 17-19, will be followed by one at Edmonton, January 31, February 1 and 2; and a third at Grande Prairie, February 14-16.

The seminars are designed to help trustees cope with the increasing complexity of school administration. Topics ranging from proper conduct of board meetings, policy development, personnel management, community communications, and other matters will be discussed at the sessions.

Registrations have been open for some time, as accommodation is limited. The seminars are felt to

be particularly appropriate for this year, in view of the upcoming province-wide elections this fall.

Heart Fund blitz needs canvassers

More than 70,000 Canadians will die this year of heart disease, the number one killer in the nation.

Contributing to the Heart Fund is away in which everyone can assist the research and work of medical people to control heart disease.

The St. Albert Kinettes and Lady Lion Clubs are spearheading the Heart Fund campaign this year in St. Albert.

This year the campaign will be a one night blitz, to be held on Tuesday, Feb. 19.

Leave your porch light on and welcome your canvasser.

Some 300 canvassers are needed. Any persons willing to help are asked to contact Arline Lemieux 459-8938, Bette Daley 459-3937, or Shirley Parkin 459-3958.

A coffee party for all canvassers will be held at the Clubhouse, Tuesday, Feb. 12 when information is supplied, questions answered and canvassing kits from the Heart Fund will be distributed.

The enthusiastic and hard working women of the Legion Auxiliary lend considerable support to the work of the St. Albert Branch. Their officers were installed Saturday evening by the Provincial President at a ceremony in the Community Hall. Eleanor Leland is seen seated at left, with Joanne Cockwill, June Kendel, Kay MacKenzie, installing officer, Marie Eschak and Polly Swenarchuk. Standing from left are Shirley Lefebvre, Shirley Sorsdahl, Irene Winklemeier, Thora Millroy, Elleen Howells, Mary Dugas and Jean Ferguson.

Auxiliary sees equipment work

At the regular monthly meeting of the Sturgeon General Hospital Auxiliary, a report was given on activities of the auxiliary over the Christmas period. These included a Christmas party for the children and small personal gifts for every adult patient. Further discussion was given to the forthcoming Shamrock Festival which will take place on March 16. Tickets for this function will be on sale shortly.

The meeting was then turned over to Mrs. Pauline Fleck, director of Nursing, who gave a demonstration on the use of the heart defibrillator and monitor which was recently purchased by the auxiliary for the hospital. The defibrillator is situated on the main floor in the Emergency Dept. The acquisition of this machine, which is the second one in the hospital, enables the medical staff to provide service under extreme conditions as the original machine is located on the third floor in the Intensive Care Unit.

Creative school offers program for parents

The Creative School Society will be presenting a series of "Parent Programs" this winter. The first one will be held Tuesday, January 29 at 8:30 p.m. in the Assembly Area of Sir George Simpson School.

The guest speaker will be Mrs. Muriel Martin who is the Assistant Superintendent of School District #6. She will speak on "The Creative Development of Young Children." She will be showing samples of educational toys that parents can make for

youngsters.

The program is sponsored by the Creative Schools

Society but all parents of young children are welcome. Coffee will be served.

Congratulations

AND ALL GOOD WISHES!
ON THE BIRTH OF THE BABY!

The Welcome Wagon hostess will bring a basket of gifts for new babies and parents. Please telephone Connie Tremper at 459-6729, and let her know when there is a new baby in your house.

The hostess will call on all babies six weeks and under if she is informed of their arriving.

HOW'S YOUR
FARM SAFETY?
RATING?

YOU TODAY TOMORROW

There is only today between you and tomorrow

Which is why Canada Pension Plan benefits
will be increased **today** and will be kept in line
with the cost increases of **tomorrow**

What this means to you as a beneficiary

From January 1st 1974, Canada Pension Plan benefit payments will be adjusted to reach . . . then maintain a level in line with the actual cost of living.

If you are receiving monthly benefits that began during the period 1967 to 1973, your benefits have been recalculated so that the amount you receive in 1974 is related to the actual increase in the cost of living over the years your benefits have been paid. When you receive your January 1974 benefit cheque, you will see that it has been increased. The increase in your payment will vary from 8% to 20% and will depend on the year in which your benefit first became payable.

In future years, if living costs continue to rise, you can expect further increases in your benefits based on current cost of living data.

What this means to you as a contributor

As a contributor to the Canada Pension Plan, you are building a basic and portable retirement plan for the future and at the same time providing current protection for yourself and your dependents against the possibility of severe disability or early death.

In order to protect the value of your eventual benefits, the Canadian Parliament has passed legislation which ensures that the contributions you make today will give benefits that maintain the purchasing power of today's wages twenty, thirty or even fifty years from now . . . when you need it!

To achieve this, the Government plans to have the earnings ceiling — the maximum amount on which contributions are paid and on which benefits are calculated — increased each year so that it will reach, and then keep even with the average earnings of Canadian industrial workers. This ceiling will be raised from \$5,600.00 in 1973, to \$6,600.00 in 1974 and \$7,400.00 in 1975.

This new earnings ceiling means that the year's basic exemption — the initial amount on which you do not pay contributions — is changed from \$600.00 in 1973 to \$700.00 for 1974

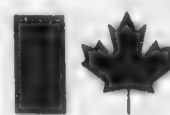

These changes also mean that the maximum employee contributions will increase from \$90.00 a year in 1973 to \$106.20 in 1974. Your contribution is matched by your employer. In the case of self-employed persons, the maximum annual contribution is increased to \$212.40 for 1974 as against \$180.00 last year. For earnings of less than \$5,700.00, there will be no increase in contributions.

The change in the earnings ceiling means that the maximum retirement pension will rise from \$90.71 for pensions effective in December 1973 to \$134.97 for those whose pensions will begin in December 1975. As the maximum earnings levels for the years after 1975 continue to rise, so will the maximum retirement pensions in those years. There will also be increases in the maximum values each year for disability and survivors' benefits.

If you have any questions or would like further information, please write:

**Canada Pension Plan,
Department of National Health and Welfare,
Place Vanier, Tower "A",
Ottawa, Ontario,
K1A 0L1.**

Your contributions **today** ensure your protection **tomorrow**.

NAMAO NEWS

By Norma Crozier
 Namao School and Community League's carnival weekend will be held Feb. 8 and 9. There will be two days of outside activities ending with the carnival dance to the music of the "Twiliters".
 Carnival queen candidates and sponsors are - Lynn Horricks, rink committee; Barbara Akerman, hall board; Kelly Stanton, gymkhana club. Please give your support to the girls when they call, proceeds go to the school and community league.

Mothers Take-a-Break program for the next three weeks is: Jan. 29 - Judy Keen - Crochet Craft; Feb. 5 - Craft; Feb. 12 - Mr. K. McAmmond, Senior House Inspector.

Meetings are held from 9:30 a.m. - 11:30 a.m. in the Elementary School. Everyone is welcome to attend.

Four generations of the Chalifoux Family shown here on the occasion of the baptism of baby Christopher Jean, brand new son of Peggy and Denis Chalifoux. Christopher Jean was born on December 31 weighing in at 7 lbs. 5 ozs. Godparents are Miss Bernice Chalifoux and Mr. Guy Chalifoux. In the picture (left to right) are: Denis Chalifoux, Baby Christopher, Great Grandpa Armand, and Grandpa Art Chalifoux, all of Morinville.

resident passes

By Norma Crozier

Mrs. Sarah Rye, 89, of Namao, resident of the district since 1908, passed away on January 15.

Born at Medford, Ontario Sarah Ferguson came west in 1908 to visit her uncle and aunt, Harry Long and Miss Elizabeth Long, who were living on a farm in the Namao district.

In 1911 she married Lawrence Rye, the son of pioneer homesteaders Mr. and Mrs. Joe Rye who had settled in the district in 1892. The couple remained on a farm in the Namao district until her death.

Mrs. Rye was best known by her friends as being a quiet, good homemaker who didn't have too many outside interests.

She is survived by her husband Lawrence; three sons, Lindsay of Sunnyside, Elmer of Namao and Kenneth of Sunnyside; and two daughters, Mrs. Vernon (Pauline) Carson and Mrs. Alma Paul, both of Namao. There are 12 grandchildren and nine great-grandchildren.

Funeral services were held from Howard and McBride's Chapel with Rev. H. Black officiating. Burial was at Namao Cemetery.

MORINVILLE MEMOS

By Flo McGinnis

Don't forget that this is MINOR HOCKEY WEEK. The Morinville teams have a very full schedule going and even if your youngster isn't playing it would be worth your while to try and attend some of the games. Saturday, Jan. 26th the Morinville Arena will be the scene of some of the all-important final games. Drop in to the Arena for the 12 noon, 2 p.m. or 4 p.m. games and you really see some action.

There were some pretty disappointed people last week when the "Chinese Cooking Classes" had to be cancelled. Don't give up hope folks, the course will be held a little later.

The KEEP FIT classes have begun but there are still some openings left if you are interested. The classes are held each Monday night at 7:30 in the International Building. You can call Carol Wojtkiw at 256-3427 any day after 4 p.m. or feel free to attend on Monday night at 7:30. Fees are \$3 this year.

The RE-UPHOLSTERY classes have just begun this week but there are still a number of openings. The classes will be held each Monday and Thursday night from 7:30 - 10 p.m. in Cunningham School (just south of the arena). Please feel free to drop in at 7:30 on Monday night if you are interested in joining the group. For further information you may call 256-3322 recreation office.

Rhonda and Art Stapleton spent the weekend at a Lions Club convention in Kalispell, Montana, travelling down by chartered bus.

Pat Krauskopf flew out to Kelowna recently to spend some time with her family - Gail and Cliff Lecke and

Debbie and Terry Krauskopf. She was lucky to be getting away just at the height of our most recent storm.

Four of our senior citizens are on a three week trip down south. Mrs. Dorothy Daignault, Mrs. Clarice Beaupre, Mrs. Hermine Houle and Mrs. Bernadette Ouellette will be travelling south along the coast to Seattle and on to Disneyland. They will stay 10 days at Mesa on the outskirts of Phoenix, in a trailer court there. Dorothy said they will be meeting up with other Morinville people there too. Mr. Ernest Houle and Mr. and Mrs. Fritz Devolder are holidaying in the same area. Included in the itinerary is a short tour into Mexico.

Simone Chevalier reports in from the Morinville Senior hockey team that in the two most recent games one was lost and the other won, so that leaves them still tied for top spot. On Friday, January 18 Gibbons scored five times as to Morinville's one. Then on Sunday, January 20, O'Neil Chevalier came up with a hat trick in

a close game with Bon Accord that ended with a score of 3 - 2 for Morinville. The team would like to see a few more fans out for their home games, and promise to really give you some thrills.

Now for the big news that everyone has been waiting for! We saw some heavy equipment go onto the ALCB site and begin clearing away snow etc., late last week. The building permit has been taken out and actual construction of the \$118,025 building is to begin on Jan. 24th. The general contractor will be Krawford Construction of 2701 Avond Arms, Edmonton. If there is no shortage of materials etc., the contractor estimates the completion date to be June 30th, 1974. So it's up, up and away as of tomorrow, and lets hope there are no unforeseen holdups.

Report From Bon Accord

By Sadie Allen

An exciting weekend is being planned for February 8, 9 and 10 in the Bon Accord community. Carnival festivities get underway at noon on February 8 with the first game of a mini-mite tournament, the second to be played at 1 p.m. A figure skating demonstration is planned for 2 p.m. and will be followed by the mini-mite final game at 3 p.m. Rounding out the afternoon's entertainment will be broom-ball, scheduled to go at 4 p.m. A family dance highlighted by the crowning of the queen gets underway at 9 p.m., music by the Golden Altos.

Engagement

RIGNEY - ANDERSON

Mr. and Mrs. Ray L. Rigney of Bon Accord are pleased to announce the engagement of their daughter Joyce Raeanne to Mr. Robert Cecil Anderson, son of Mr. and Mrs. Cecil Anderson of Kathryn, Wedding to take place March 9, 1974.

Saturday, February 9 will provide interesting entertainment for hockey lovers with mites played at 10, peewees at 12, bantams at 2 p.m. Ladies hockey at 4 and an evening game for the mid-gets at 7 p.m.

Sunday, February 10 will mark the first sports event to make use of our new recreation area when a Snowmobile derby, scheduled to get underway at 2 p.m. will be held on a newly-constructed track south of the arena. Registration for the derby closes at 1 p.m. Classes are Stock-300, 340 and 440; Super stock-300, 340 and 440; Junior up to 340; Powder Puff - up to 340; Novelty races. Further details will be announced later. Races will be run under North-western Snowmobile Association rules.

A bean supper will be held in the Community Centre from 4 - 7 and will be followed by the regular Sunday night bingo at 7 p.m. Plan your weekend to take in some or all of the activities.

Get well wishes are extended to Mr. Archie Jenkins in the Sturgeon General.

Congratulations to John and Sharada Rigney on the birth of their son, Reed Wil-

Phone 459-7144

Ham, 8 lbs. 1 oz. on Jan. 5. Proud grandparents are Hugh and Jessie Rigney of Bon Accord and Bill and Kitty Blackie of Calgary. The new baby will be at home with his parents at Fort Chipewyan.

Sympathy of the district is extended to the family of Mr. Clarence (Cal) Davis who passed away in Red Deer on January 17, and to Mrs. Margaret Hewitt, whose mother Mrs. Fanny Shillabeer, passed away in Vancouver on January 15.

Anyone interested in Children's Ceramics is urged to contact Pauline Mansfield at 298-3625 or Ethel Samis, 298-2424 as soon as possible. If enough interest is shown, an all day workshop will be set up for a Saturday - date to be announced.

A Scout organizational and registration meeting will be held at the home of Tom Brown, 5012 - 49 Avenue on Tuesday, January 29 at 8 p.m. Anyone over 12, boy or girl is eligible.

Ladies hockey got underway on Monday, January 21 with the B.A. team playing their first game against the Edmonton Sundays at the Sturgeon Arena, north of 137 Avenue on 142 Street. Games are scheduled for Jan. 28 against Edmonton Mondays; Feb. 4 against Edmonton Sundays, Feb. 18 against Edmonton Mondays. All games are scheduled for 7:30 at the Sturgeon Arena.

Bon Accord Junior High basketball team got off to a good start on Friday, Jan. 18, both girls and boys scoring wins over Gibbons, 17-10 and 17-8 respectively.

Last weekend proved to be a bad one for all Bon Accord hockey teams Wildcats lost out to Namao on Friday and Morinville on Sunday. Mid-gets dropped games to Sturgeon Valley and Redwater, bantams lost out to Morinville Ramparts on Saturday and Legal on Sunday. The only bright spot of the weekend was a tie with Legal by the mini-mites and a win for the peewees over Gibbons. Mites dropped their Saturday game to Gibbons.

Plans for a defensive driving course and an AMA driver training course are being made. Anyone interested in either or both are asked to contact Bill Carle-

ton, 298-3686, as soon as possible.

The bingo jackpot has now climbed to \$80 with 56 numbers to be called. Winner of the \$25 jackpot was Vern Verhaeghe who called his bingo in six numbers. On counting heads, it was found that residents of the new subdivision of Roseglen are the best bingo supporters with Moccasin Flats residents a close second. Other areas of the village, and country residents fell far behind. A pat on the back to all good supporters.

Anglican church women met at the home of Mrs. Joe Milligan on Wednesday, Jan. 16 with 13 members and guests attending. Election of officers was held with the following results - President Ruth Cline; vice-pres. Rita Milligan; sec.-treas. Shirley Bland.

The 4H Clothing Club held their meeting at the home of Connie Kreway on Jan. 8. Club members had planned a toboggan and pizza party for the Christmas holidays. However continued cold weather forced postponement and members finally settled for a skating and pizza party which was held on Sunday, Jan. 20 with nine members and five leaders in attendance. Following an hour and a half skating, members leaders and guests adjourned to the home of Cynthia Bejchko to enjoy their pizzas. As this was a delayed Christmas party gifts were exchanged between club members. This report was submitted by club reporter, Janet Mulligan.

The executive of the brownies and guides held a meeting at the home of Mrs. Helen Lesyshen on Sunday, Jan. 20. Plans were made for upcoming events, with a St. Patrick's Day tea slated for March 16. Mrs. Donna Goring has been appointed district commissioner for Bon Accord. A Local Association (all mothers please) will be held on Sunday, Jan. 27 at 2 p.m. in the Community Centre clubroom.

Telephone subscribers in the Bon Accord area are reminded of the ballot re. Extended flat rate calling which is being mailed on Jan. 28. A representative of AGT will be on hand at the B.A. Community Centre on Tuesday, Feb. 5 from 2 - 7 p.m. to answer any questions.

The Board of the Community Centre is calling for tenders for secretary, treasurer and caretaker. Anyone interested should apply to Mrs. Thalia Critchley.

REPORT FROM GIBBONS

By Ron Coley

The senior hockey club will be holding a Beer Fest on Saturday, February 2. Tickets can be purchased from the senior hockey club members.

Get well wishes are sent out to Mr. Jim Cinnamon, who is recovering from a stroke, in the Fort Saskatchewan Hospital.

Stretch and Sew classes will be held at the home of Shirley Steinwand beginning January 25, 1:30 to 3:30 p.m. The fee is \$4, payable to Katie Mabbitt. Mrs. Edna Noel will be the teacher. For

more information phone Shirley at 799-3898.

The Local Association for Brownies, Guides and Rangers will be holding a St. Patrick's Tea, March 16th from 2 to 5 p.m. Everyone is welcome.

LAST ROUND-UP

The first meeting of the New Year was held on Jan. 10th, in spite of the extreme cold weather, with 23 members present. To start things off, there was a lively sing-song with Emily Oliver at the piano, followed by some whist. Prize winners were: Ladies First - Pansie Davidson; Men's First - Wilfred Oliver; Consolation - Lil Sprague and Mrs. Tupper. Lunch was then served. Seeing there was no business to discuss Eula spoke - hoping everyone had a Merry Christmas and wished everyone

better things in 1974. There was a thank you card from Mr. Dale, for the birthday card sent to him.

JOHN KRUPA RETIRES

Mr. Krupa has retired as school custodian after 22 years. He started when the first part of the present school was built and stayed with it until Dec. 31, 1973. He took great interest in outdoor beautification as well as indoor cleaning etc. For the past two years Mr. Krupa sponsored the Gibbons Teen Club and looked after evening activities in the school gym. He is an active member of the Local Recreation Board as well as the Regional Board.

Lately he accepted a position as Utility Clerk at Woodwards of Edmonton.

The new caretakers are Mr. and Mrs. George Roper of Wetaskiwin.

By Lucienne Montpetit

On January 16, Corrine Bergevin, daughter of Mr. and Mrs. Lucien Bergevin was fêted at an miscellaneous shower held in her honor at the Community Hall.

Some 100 guests braved the below zero weather and enjoyed the evening organized by the hostesses Lilliane Brisson and Yvonne de Champlain. Marie and Juliette St. Martin sang several selections followed by games.

Seated at the head table under a pink parasol with balloons filled with confetti was the most of honor accompanied by her mother and Mrs. Pierre Brisson mother of the groom.

Corrine Prefontaine and Dolores Letourneau won the door prizes which then led to the opening of the gifts. Corrine thanked everyone

LEGAL LOCALS

for the beautiful and useful array of gifts she received especially her bridesmaid for organizing such a beautiful bridal shower in her honor.

A delicious buffet lunch concluded the evening. Corrine will exchange marriage vows with Laurier Brisson on February 9.

Expressions of sympathy are extended to Mrs. George Montpetit who is mourning the loss of her brother Amable Ouellet who passed away on January 17, also to Mr. and Mrs. Henri Casavant mourning the loss of their brother-in-law Raymond Julien who passed away in Prince George, B.C. recently.

A caution note to drivers remember we have had traf-

fic signs to obey in the village. When you get to a stop sign make sure you stop, because there might be a certain car with a red bubble just waiting for you. "A \$20 ticket is sort of an expensive reminder eh," (as some of you know).

Mr. and Mrs. Leon Brisson have moved in their new home.

Mr. and Mrs. Omer Maurier's neighbors surprised them with a farewell party last Friday. A souvenir was presented to them on behalf of their "West Legal friends." Mr. and Mrs. Maurier have sold their farm and will be retiring in the village in their new home very soon.

A babysitting course will be offered for any student of babysitting age. This course will be held in March. Give your names to Mrs. Lucille Dube 598-3694.

Ladies! Want to get in shape for those summer fashions? Join the keep fit classes that will begin in the first week of February. Twelve ladies are required names must be given to Sharon Veitch, phone 598-2399 before January 31.

GOES A LONG WAY DOWN ON THE FARM

PUBLIC HEARING

To be held by the

MUNICIPAL AND SCHOOL BOUNDARIES ADVISORY COMMITTEE

Submissions have been received by the Committee regarding the proposed transfer of territory presently constituting Electoral Division 1 of the County of Thorhild to the Municipal District of Sturgeon No. 90.

The purpose of this hearing is to allow all interested parties the opportunity to make their views on this matter known.

If possible, briefs should be submitted prior to the hearing to Mr. J.C. Leslie, Chairman, Municipal and School Boundaries Advisory Committee, Room 906, J.J. Bowlen Building, Calgary T2P 0Y8.

The hearing will be held

WEDNESDAY, FEBRUARY 6th, 1974
at 2:00 p.m. and 7:30 p.m.
in the DERRICK HALL,

**REDWATER,
ALBERTA**

If necessary, the hearing will continue on February 7th. For additional information, telephone 261-6420 (Calgary).

Gibbons 4H Light Horse

By Bev Epp

The first meeting for 1974 of the Gibbons 4H Light Horse Club was held on Jan. 10th at the Beaque residence. Various topics of business were discussed, with an important item, being the date March 31, 1974 for the club's public speaking finals. The meeting is to be held at 1 p.m. in the Gibbons Sunday School. Visitors are welcome. Pat Epp, Don Epp, and Sylvia Bowman were on project for the meeting. They gave an excellent talk on public speaking, which the new members found very

The bicycle serves as a major means of transportation in China, Peking alone has a million, the National Geographic Society says.

The potato originated in the Andean countries of South America, where it is still called papa, as in Incas times National Geographic says.

Rec Fest plans music and drama

A SPECIAL NOTE
The M.D. of Sturgeon has

made an innovative move in establishing its Rec-Fest '74. The Rec-Fest is open

Snowmobilers take note

The meeting called for all persons interested in snowmobiling held January 21 in Morinville was poorly atten-

ded, but a club was organized none the less.

Leopold Boissonnault was elected acting president, and Mrs. Rena Bland as acting secretary-treasurer.

A special meeting has been set up for Thursday, Jan. 31, at 8 p.m. in the Recreation Centre. The purpose of this meeting is to bring all persons of the town and district who are interested in snowmobiling together, in order to explain the exact meaning of the Town of Morinville bylaw, and the Highway Traffic Act, as they pertain to the operation of snowmobiles.

If enough people can be organized into a snowmobile club it is possible to retain the present bylaw so that the machines will not be banned from town altogether.

It is extremely urgent that anyone interested in snowmobiling in any way be in attendance at the January 31 meeting. Please call Mr. Boissonnault at 256-3110, or Rena Bland at 256-3059 for further details.

to all residents of Sturgeon Legal, Morinville, Bon Accord, and Gibbons. Included in the festival will be entries in drama and music.

The drama category of the festival will be open to one-act plays of an hour's duration or less. Comedies, dramas, farces, melodramas, and short sketches are all welcome. A nice feature of the drama category is that a small army is not required to mount a production. All that is needed is two or three actors, a director, designer and a keen attitude.

The music category of the festival is also open to all types of entries. We welcome choral groups large and small, and barbershop groups. The numbers to be performed are strictly the choice of the performers.

A new staff member has been hired, under the Local Initiatives Program (L.I.P.) specifically to oversee the dramatic and musical aspects of Rec-Fest '74. He is in our office now and is eager to contact anyone who is interested in proposing an entry.

For more information contact - Peter Feldman, Sturgeon Regional Recreation Department, Phone - 256-3321 or 424-6276 (city).

District couple wed at St. Marks

By Liz McLeod

St. Mark's Anglican Church Edmonton was the scene of a beautiful wedding on November 24 at 3:30 p.m. when Miss Dorothy Harriet, second daughter of Mr. and Mrs. John J. Shenfield of R.R. 1 Spruce Grove and Mr. Raymond George Clarke son of Mr. and Mrs. Norman Clarke of R.R. 1 Winterburn, pledged their vows before an altar decorated by two vases of large white, yellow and mauve mums. White bows and ribbon marked family pews.

The Reverend Father A. G. Hooper conducted the ceremony with wedding music played by Mrs. A. G. Hooper.

Given in marriage by her parents the bride was radiant in her gown of wory satin with attached train, 57 years old and worn first by a great aunt and also by her mother.

Her long flowing lace edged veil was held in place by a crown and she wore silver slippers and carried a bouquet of yellow and red sweetheart roses.

The bridesmaids, Elaine Shenfield (Bride's sister), Debby Gabel and Marjorie Clarke (groom's sister) wore identical gowns in yellow with empire waistline and large bow at back, accented with yellow velvet bows in their hair. They carried poisies with yellow and mauve mums.

The sweet little flower girl, Nita Thompson (the groom's niece) wore a yellow gown with printed top and sleeves with the yellow velvet bow in her hair and the same flowers as bridesmaids.

The groom's attendants; Gerald Baron of Stony Plain the bride's brother Mark Shenfield of Edmonton and the groom's brother Terry

Clarke also of Edmonton wore navy blue suits with white skirts and navy blue ties as did the handsome groom.

Alastair Shenfield (bride's brother) and Earl Clarke (groom's brother) served as ushers.

For her daughter's wedding, Stephanie chose a two piece fortrel gown in blue with silver accessories and a silver sprayed, white carnation corsage.

The groom's mother was equally elegant in her pink fortrel gown with gold accessories and gold sprayed white carnation corsage.

Mr. Bob Dandeneau was congenial master of ceremonies at the reception held in Winterburn Hall and during the entertainment the groom's mother, Mrs. Clarke sang a song.

The beautiful three tiered yellow trimmed wedding cake made and decorated by Wilma Turkington, was flanked by white candles and the bouquets to enhance the beauty at the head table.

Fun and dancing rounded out this gala affair and when it came time for the bride to throw her bouquet one of her bridesmaid's Debby Gabel caught it and the garter was caught by John Christenson.

For their honeymoon trip to Calgary the bride donned a brown camel-hair pant suit with ruffled white blouse with yellow carnations en corsage.

This happy couple are making their home in Edmonton.

Out of town guests were Mr. and Mrs. Vic Thompson, Mrs. Whittleton, Mr. and Mrs. Bob Vowel, Brent McDonald from Calgary; Mr. and Mrs. Jack Johnston, Westlock; Mrs. Lazecki, Bashaw; Mr. and Mrs. Nordstrom, North Star; Mrs. Huntly, Innisfail; Mr. and Mrs. Impy, Breton; Russell and Phyllis Clarke, Red Deer; Earl and Audrey Lavigne, Lloydminster; Gramma Duquette, Saskatchewan and Elaine Shenfield, Vancouver, B.C.

Amable Ouellet passes

By Lucienne Montpetit

Mr. Amable Ouellet along time resident of Legal passed away on January 17 following a long illness.

Born at St. Anne La Pocatiere, P.Q., in 1907, Amable came to Legal with his parents in 1909 when the family settled on a farm. He attended Legal School and at the age of 20 he went to Chicago to take an electrical course. After completing his two year course he returned to work in Calgary where he met his wife. He married Sylvia Sokolan on August 6, 1941 in Calgary.

They moved back to Legal in 1946 where they raised their three children. The deceased always had plenty of work in the district as electrician and carpenter till he moved to Edmonton in 1968.

Funeral mass was celebrated by Father Bissonnette on January 21 at St. Emile's Church with interment in the local cemetery.

He leaves to mourn his loving wife Sylvia, one daughter Mrs. L. (Helen) Robinson, two sons Robert and

David, all from Edmonton, three sisters and one granddaughter Michelle, Mrs. Andre Pelletier, Edmonton, Mrs. George Montpetit, Legal and Mrs. Narcisse Giot, Val D'Or Quebec.

The family wishes to thank everyone for their kindness, expressions of sympathy and mass offerings during their recent bereavement, also to the pallbearers Charles and Brian Ouellet, Pierre Boisvert, Lucien Pelletier, Ernie Sokolan and Pete Montpetit.

Morinville Library News

By J. R. Clark

The Library Board held its annual general meeting for the election of officers on Tuesday, January 15.

By unanimous vote Mrs. Lillian Boddez was re-elected as chairman of the board Mrs. Beryl Lindley was elected vice-chairman, Mrs. Charlotte St. Germaine continues in office as the secretary-treasurer for another year. Mrs. Dorothy Dubord consented to assist the secretary-treasurer with her ever increasing work load.

The remaining four board members are Mrs. Marie-Paul Kremer, Mrs. Lorraine Ferguson, Mrs. J. R. Clark and the Town of Morinville

representative Mrs. Anne Maslyk.

The Library is now a very cosy place to be with its new carpet and panelled walls. Many plans were discussed for its continuing success and a notice will appear shortly, with revised extended library hours. Provided some interested person will answer our advertisement in the "Help Wanted" column elsewhere in this paper.

Wild fruit-new industry?

Fruit growing in the wilds of northern Alberta and adjacent areas may form a basis for developing small fruit industries, says an Agriculture Canada scientist.

areas could go into commercial picking of the wild fruit in a manner similar to the extensive wild blueberry harvests in Quebec and the Maritimes which exceed \$3,000,000 annually.
